**Thought for the Week**

Jesus, who prayed in lonely places said: 'When you pray, go into your room, and pray to the Father in secret'. We should not imagine that the 'lonely' place is necessarily a place far away, or that by 'room' he means four walls that separate us physically from others. The 'room' is within ourselves, our innermost heart, where our plans are hatched, our hopes reside and our true self is to be found. This 'room' is within us at all times; we carry it around with us wherever we go. We should make it a place where we can retreat and find rest and spiritual recovery when 'the world is too much for us'- then we will discover that the 'room' is not empty at all, but is occupied by the God of love who dwells within us all.
